History

Tunisia National Team Lineup 1978

History at the World Cup

Tunisia has participated in the World Cup six times in 1978, 1998, 2002, 2006, 2018 and 2022.

Their best result came on their debut in 1978, which was considered the strongest lineup of the national team historically when they finished 9th place after beating Mexico and drawing with world champions Germany before dropping out after the first round.

Road to Qatar 2022

Second round (Group B)

National Teams	MP	L	W	D	GA	GF	PTS
Tunisia	6	1	4	1	2	11	13
Equatorial Guinea	6	1	3	2	5	6	11
Zambia	6	3	2	1	9	8	7
Mauritania	6	4	0	2	11	2	2

Third Round

Tunisia

Tunisia wins 1-0 on
aggregate

Mali

Through the table, we can say that Tunisia has found itself in a relatively easy group, leading with 4 victories, one draw, and one loss which allow her to play a third and final match against Mali in the third round. In the end, Tunisia Qualified to the World Cup 2022 after beating Mali 1-0 on aggregate thanks to Moussa Scissako's first-leg own goal in Bamako.

Education City Stadium

Tunisia 1-0 France

Al Janoub Stadium

Tunisia 0-1 Australia

Despite its victory and the great performance against the former world champion France, Tunisia bid farewell to the World Cup after it drew against Denmark and lost it against Australia. It would have advanced had Denmark and Australia tied but the goal "the Socceroos" wound up being the difference
